

Renaissance®
DENTAL • VISION • LIFE • DISABILITY

Stand Out with Renaissance!

We know insurance is complicated, so Renaissance does everything we can to make your job easier. Customizable solutions for dental, vision, life and disability are designed to give you ancillary benefit solutions that ***Stand Out*** from the competition. Plus, a dedicated sales support team helps you confidently promote those products to your clients and their employees. We're here to help you retain current clients and energize your business.

What We Believe

- We understand that employers strive to provide quality benefit solutions that protect both the financial and overall health of employees. As a leading ancillary benefits provider, Renaissance takes great pride in providing a benefits experience that stands out from the competition.
- We should have the latest technology and personal service. While technology maximizes efficiency, we know it's not a substitute for a personal touch. At Renaissance, individuals always have the ability to interact with a real person.

***Bundle Dental & Vision With
Group Life & Disability For A
Complete Ancillary Solution***

What We Offer

- Group dental—both PPO and indemnity—offered on an employer-paid or voluntary basis, starting at 2 eligible lives.
- Dental plan features include coverage for dental implants, posterior composite restorations, oral cancer screenings, orthodontia and more.
- Additional cleanings for members with periodontal disease and those who are identified as at-risk for certain medical conditions, like diabetes or coronary artery disease.¹
- Quality Life and Disability coverage to ensure your clients are protected from the unexpected.
- Smarter Vision Care administered by VSP® Vision Care.
- Fully customized ancillary benefit solutions for groups and individuals.
- A national dental PPO provider network offering broad access and substantial discounts. Our vision partnership through VSP provides access to one of the largest networks in the country, offering great choice and value.
