

Everyone Needs Vision Care

Vision is more critical to a benefits package than you might think. Members who have vision benefits are nearly twice as satisfied with their benefits - and are more than twice as likely to say benefits are a reason they stay with their employer.¹

MEMBERS NEED VISION CARE

3 in 4

adults need vision correction.²

1 in 4

Children need vision correction.²

9 in 10

Members say visual disturbances affect their quality of work.³

INCREASED EMPLOYEE SATISFACTION

Members satisfied with their benefits are

2X MORE LOYAL⁴

POWERFUL PREVENTIVE HEALTHCARE

Only 1 in 5

Americans get an annual medical exam - only half get the preventive screenings you'd expect.⁵

6 in 10

Members get an annual WellVision Exam.⁶

34% OF THE TIME⁶

VSP doctors are the first to detect signs of diabetes.

\$2,787 SAVINGS
